

SHANE COLLUM

I am a first-year student at Ulster University Magee for learning Game Design and Development (BSc Hons). I'm extremely passionate about the course and learning, having participated in the recent Global Game Jam 2026 while learning both the Unity and Godot game engines. I'm also proficient in Git and Visual Studio.

EXPERIENCE

FARMING/CONTRUCTION - CARK FARMS | CARK, CO. DONEGAL | 2018 – PRESENT

Working with family to manage over 500 sheep across a large expanse of land. Main roles included working in small teams of people to gather and organise sheep, feeding livestock on tight schedules, organising stock, and cleaning working areas. I also worked on construction in small teams for large jobs, such as building sheds.

GLOBAL GAME JAM - 2026

Worked solo to develop a game within one week. I managed my own time, worked in Godot with gd.script, and contributed all my own art to the project.
